

This laboratory is for people who are already involved in any shape or form in artistic practices and are looking for new tools to connect with their matters.

I have assisted and worked with dancers, singers, actors, stand-up comedians, pole dancers, circus artists, drag performers, etc. Everyone is welcome!

N o e x p e r i e n c e n e e d e d .

The group has to be limited to 5 people to make the experience confronting. This way I can be available for a personalized coaching each shift.
